Coney Island Mermaid Pilsner

Bring a little taste of Coney Island to your next barbecue with Shmaltz Brewing Company's Mermaid Pilsner, the latest in its Coney Island Craft Lagers line to be made available in bottles. Like the sultry siren on its label, this is an easy brew to enjoy: light, crisp and just a little sweet.

Find Mermaid Pilsner in Coney Island Variety Packs, which include three 12-ounce bottles each of Coney Island Lager, Sword Swallower, Albino Python and Mermaid Pilsner- at stores nationwide. The variety pack is the only way to get Mermaid Pilsner in a bottle in 2010. -Amber Ray
